PROTESTED by F.W. Schroeder, May 12, 1915.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing appli-
cation, and do hereby grant the same, subject to the following lim-
itations and conditions: deny the same on the ground that an investi-
gation made by this office indicates that Mr. Schroeder has a vested
right in and to the water of this spring and for the further reason
that the present indications tend to show that the spring is developed
water and does not come within the jurisdiction of this office.

The amount of water to be appropriated shall be limited to the
amount which can be applied to beneficial use, and not to exceed
cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed
on or before

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial
use must be filed with State Engineer on or before
